Wiley CPA excel Exam Review 2015 Study Guide (January) O. Ray Whittington 2015-01-29

Pediatric Critical Care Study Guide Steven E. Lucking 2012-04-12 This is the first comprehensive study guide covering all aspects of pediatric critical care medicine. It fills a void that exists in learning resources currently available to pediatric critical care practitioners. The major textbooks are excellent references, but do not allow concise reading on specific topics and are not intended to act as both text and study guide. There are also several handbooks available, but these are usually written for general pediatric residents and lack the advanced physiology and pathophysiology required for the higher level pediatric critical care practitioner.
