Guide to Objective Arithmetic Khatkar 2007-02

Paper Arrow Susan Slater 2021-09-15 When psychologist Ben Pecos gets the call—his 12 year old ward, Nathaniel has been expelled from school—Ben sees a road trip as an opportunity to spend extended time with the trouble camping and fishing and talking things through. Little does he realize they are driving right into trouble in the small town of Spearfish, South Dakota, where the local sheriff is investigating the mysterious death of a Lakota Sun Dancer. Things are not looking good when the sheriff directs his attention toward Ben. And when it turns out the dead man was neither Lakota nor a Sun Dancer, the mystery deepens. Meanwhile, hoards of protestors are showing up over a proposed oil pipeline through the reservation, people from outside the area who are being trucked in and paid to create havoc. As the body count rises, Sheriff Mac Sterling and the reservation police chief, Red Bull, have their hands full, as neither the tribe nor the county have the manpower to keep things from getting out of hand. Ben gets recruited to help but soon finds his world rocked to the core with the revelation of the darkest secret from his own past. **For Susan Slater and the Ben Pecos mystery series: "This is a wonderful book with loveable heroes." – Library Journal, (on The Pumpkin Seed Massacre) "Susan Slater's Thunderbird is a witty, absorbing tale." —Publishers Weekly "Slater effectively combines an appealing mix of new and existing characters ... dry humor; crackling suspense; and a surprise ending." —Booklist "... a gripping novel. We mystery lovers hope it's the first of many." Tony Hillerman "A solid, suspenseful narrative and colorful glimpses of Native American life strongly recommend this ..." – Library Journal (on Thunderbird) "... Ben Pecos—raised far from New Mexico's Tewa Pueblo—could become as lasting a fictional presence as Joe Leaphorn and Jim Chee." – Chicago Tribune**

New York Magazine 1996-05-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With its winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Pulp & Paper 1965

Government of Pakistan Matthew S. Hull 2012-06-05 "Drawing inspiration from actor-network theory, science studies, and semiotics, this brilliant book makes us completely rethink the workings of bureaucracy as analyzed by Max Weber and James Scott. Matthew Hull demonstrates convincingly how the materiality of signs truly matters for understanding the projects of 'the state.'" - Katherine Verdery, author of What was Socialism, and What Comes Next? "We are used to studies of roads and rails as central material infrastructure for the making of modern states. But what of records, the reams and reams of paper that inscribe the state-in-making? This brilliant book inquires into the materiality of information in colonial and postcolonial Pakistan. This is a work of signal importance for our understanding of the everyday graphic artifacts of authority." - Bill Maurer, author of Mutual Life, Limited: Islamic Banking, Alternative Currencies, Lateral Reason "This is an excellent and truly exceptional ethnography. Hull presents a theoretically sophisticated and empirically rich reading that will be an invaluable resource to scholars in the field of Anthropology and South Asian studies. The author's focus on bureaucracy, "corruption," writing systems, and urban studies (Islamabad) in a post-colonial context makes for a unique ethnographic engagement with contemporary Pakistan. In addition, Hull's study is a refreshing voice that breaks the mold of current representations of Pakistan through the security studies paradigm." - Kamran Asdar Ali, Director, South Asia Institute, University of Texas

Paper Cut Randy L. Railey A construction worker is helping tear down a dilapidated old house. He finds a box of World War II documents inside the box. The discovery of those documents results in a string of horrific and gruesome murders. The community learns the hard way that words written on paper can cause blood to freely flow. Paper cut a community. The sheriff and his investigators work tirelessly trying to unravel the mystery. Is there corruption within the defense industrial base? Are drug dealers infiltrating their community? Why are terrorists coming to this sleepy, safe community? The cops are in constant danger as they try and learn why those documents are causing so much death. No one is safe. There is a motive behind the murders. The cops are not superheroes and must learn the true motive. It's a motive that is more common and much more sinister than most Americans realize.
