

The Big If The Life And Death Of Johnny Owen

As recognized, adventure as well as experience practically lesson, amusement, as competently as promise can be gotten by just checking out a ebook **The Big If The Life And Death Of Johnny Owen** moreover it is not directly done, you could say yes even more all but this life, re the world.

We meet the expense of you this proper as skillfully as easy pretentiousness to get those all. We give The Big If The Life And Death Of Johnny Owen and numerous ebook collections from fictions to scientific research in any way. in the course of them is this The Big If The Life And Death Of Johnny Owen that can be your partner.

The Desert Shore Christopher Wise 2001

A.U.G.U.R.I.E.S Michael D. O'Kelly 2017-10-19 Our world-planet is changing so fast! Amazons expanded its Robot Army from 1400 in 2013 to 45,000 in 2016. Climates changing faster than deniers denials. In the USA, 1 in 3 people are NONES in religious affiliation versus 1 in 10 thirty years ago. The Moores Law of computer chip speed says well be computing-connecting in 2025 64 times faster than 4 years ago. The New Age of Universal Quantum Computers will manifest patterns of data at depths of complexity that will transform humanity. Plans to colonize Mars are underway. Facebook plans to make our brains telepathic. Terrorism is daily. The deep personal touch of self with selves and selves with nature is vulnerable to confusion. Our spiritual world is under siege. Gateways and breakthroughs to demanding futures need new bridging-infrastructure-covenanting designs. AUGURIES promotes an (not the) ANSWER to A NEW SPIRITUALITY WE ARE. It gardens depths of backyard covenanting with chip-digital cybernetics living next door. Transformative sciences are everywhere: chips for the bots and syncs for the bots. Book I of this Trilogy-ALTARPIECES, was a sound book of the primal-sound Ah to AHHH! to AUM and to Apokstrophes. Book II, SYMPATHIES, was an Aoides song and prayer2player book of things coming into themselves by belonging together and the enchoiring of sympathies. Book III, AUGURIES, tells ATALE of performance and palindromes: strategies of covenantal existence. Its big play is futuring humanity's global based spirituality. (Not as a religion!) This is known: we are on this planet, without a master-key to the mystery. There are patterns-forms-resonances that orientaur --- us to be in the world as the humans we are. Auguries explores three primal laws of existence: Predation and Procreation (everywhere theres anything); the third is The Prosperoion -- our uniquely human-Eartharion play of consciousness and will-to-prosper-- which forms the CORE dynamic of Book III. This picture is the author as a Prospero of today. Staffs a walking-stick; robs a vest and hat: books an old volume of Shakespeare with some poems inserted: In times To Come(!), In The Shining(!!); Guest With Me(G.)] The bridge, as rainbow and skeleton, symbolizes the concept of covenantal infrastructure. Held answering a call, from anywhere in the world, on his magical cell-phone. But the real magical incantation of The Prosperoion is: SHOALS of WONTSUNODI AROCKAKCORASHING Holds of Angelic Legacies--Wonders That Should Not Die--Augural Recendoes of Covenantal Kairos. The SHOWONAKARA! A very personal book. A Spirited Ride. Both hands on the wheel! And reins! And Mane! Auguries is about our holding-on midst Gallops of Gaia Gallimaufry (GAGA-GA). In the next WeR Generation of GENIUS we must keep our FREEDOM to dot our own i secure our own saddle. TIME TO MOUNT-UP -- THE SHOWONAKARION -- FROM AFIRADAPO

Choosing Happiness Even When Life Is Hard Frank Minirth 2011-12 Argues that happiness is a choice rather than an emotion and presents strategies for overcoming such negative emotions as anger, anxiety, and grief and achieving lasting happiness.

Wild Dog Dreaming Deborah Bird Rose 2011-04-01 We are living in the midst of the Earth's sixth great extinction event, the first one caused by a single species: our own. In Wild Dog Dreaming, Deborah Bird Rose explores what constitutes an ethical relationship with nonhuman others in this era of loss. She asks, Who are we, as a species? How do we fit into the Earth's systems? Amidst so much change, how do we find our way into new stories to guide us? Rose explores these questions in the form of a dialogue between science and the humanities. Drawing on her conversations with Aboriginal people, for whom questions of extinction are up-close and very personal, Rose develops a mode of exposition that is dialogical, philosophical, and open-ended. An inspiration for Rose—and a touchstone throughout her book—is the endangered dingo of Australia. The dingo is not the first animal to face extinction, but its story is particularly disturbing because the threat to its future is being actively engineered by humans. The brazenness with which the dingo is being wiped out sheds valuable, and chilling, light on the likely fate of countless other animal and plant species. "People save what they love," observed Michael Soulé, the great conservation biologist. We must ask whether we, as humans, are capable of loving—and therefore capable of caring for—the animals and plants that are disappearing in a cascade of extinctions. Wild Dog Dreaming engages this question, and the result is a bold account of the entangled ethics of love, contingency, and desire.

Bible of the Light Sorin Cerin 2011-02-12 Some time ago I published The Theory of Universal Genesis in the book The Divine Light; this text became the first chapter in the Bible of the Light. It is a dialogue between myself and the Divine Light that appeared to me in a lucid dream and which inspired me to write all this. Bible of the Light is an anthology composed of several books published along the time as and new books which for the first time will be published. For many years I felt that I will receive these revelations from the Divine Light and that I will publish such a work entitled Bible of the Light. To those wishing to be healed through the holy breath of Divine Light, them I wish to they find the tranquility and peace through these pages. No matter how unhappy would be some, through Bible of the Light will understand that everything is just a passing cloud, and that the true eternal life is alongside the Divine Light that is the true God. Amen. This Bible will make the definitive peace between God and Satan, in the man soul, because Satan is the Evil without which the Good identified through God and would lose any luster. All churches of the world would disappear if would not more existed Satan! The spiritual peace between Satan and God lead for the first time to a healthy society, where the folly, pride, vanity and hypocrisy, alongside with many other evils will disappear and once with these and servants of a God who can not understand the Evil. Here you will find out to whom and how should you pray if you necessarily want to do it. If is necessary to yourself pray or not. Who is God and what wants Him from us, but and who we are and what we want from God from inside us. Amen.

Body and Soul ... George Wilkins 1824

SPIN 1998-01 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

New York Magazine 1968-07-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

It Came from Beyond Zen! Brad Warner 2017-09-01 Vol. 2 of Brad Warner's Radical but Reverent Paraphrasing of Dogen's Treasury of the True Dharma Eye In Japan in 1253, one of the great thinkers of his time died — and the world barely noticed. That man was the Zen monk Eihei Dogen. For centuries his main work, Shobogenzo, languished in obscurity, locked away in remote monasteries until scholars rediscovered it in the twentieth century. What took so long? In Brad Warner's view, Dogen was too ahead of his time to find an appreciative audience. To bring Dogen's work to a bigger readership, Warner began paraphrasing Shobogenzo, recasting it in simple, everyday language. The first part of this project resulted in Don't Be a Jerk, and now Warner presents this second volume, It Came from Beyond Zen! Once again, Warner uses wry humor and incisive commentary to bridge the gap between past and present, making Dogen's words clearer and more relevant than ever before.

NIV, Quest Bible for Teens, eBook Christianity Today Intl., 2012-01-03 GOT QUESTIONS ABOUT THE BIBLE? Find your answers in the NIV Quest Study Bible for Teens eBook. This unique Bible is just for you—a teen looking for advice about friends, family, school and God. Memoirs: Personal Reminiscences in Book Making

Scraping by in the Big Eighties Natalia Rachel Singer 2004-01-01 The author describes how her rejection of the materialism of her generation and her low-budget search for creative fulfillment led her to a duplex in Seattle, a beach hut in Mexico, and a Left Bank convent, but never freed her from her obligations as an American.

Undaunted Kara Goldin 2020-10-20 Don't let anyone crush your dreams. Undaunted will inspire you to move past your fears and defy the doubters. It doesn't matter whether you feel confident; it matters what you actually do. A Wall Street Journal bestseller! CEO of Hint, Inc and author Kara Goldin turned her unsweetened flavored water into one of the most successful beverage businesses of our time. As she started to achieve her goals, Kara found herself being called "fearless", "confident" and even "unstoppable," but nothing could be further from the truth. In Undaunted, she shares real stories about her own fears and doubts, the challenges she encountered and what she did to overcome them to eventually build a great business and a life she loves. This book is perfect for anyone who wants to: Get fit and healthy, start a company or business, break an addiction, find a new career, just grow in life, and much more! Part autobiography, part business memoir and lots of insights on self-development. Undaunted offers inspiring stories that impart lessons that any reader can apply to their own path. While most motivational business and life books try to offer quick fixes, Kara focuses on long-term success, showing you how to take control of breaking down barriers

and moving forward. Undaunted won't solve your problems and challenges, you will. However, it will help you see through other's experiences that it's possible to do so. Accept your fears, but decide to be undaunted.

A Rising Man Abir Mukherjee 2016-05-05 **A THE TIMES/SUNDAY TIMES CRIME CLUB TOP 40 BOOK OF LAST FIVE YEARS** 'An exceptional historical crime novel' C.J. Sansom India, 1919. Desperate for a fresh start, Captain Sam Wyndham arrives to take up an important post in Calcutta's police force. He is soon called to the scene of a horrifying murder. The victim was a senior official, and a note left in his mouth warns the British to leave India - or else. With the stability of the Empire under threat, Wyndham and Sergeant 'Surrender-not' Banerjee must solve the case quickly. But there are some who will do anything to stop them... **WINNER OF THE CWA ENDEAVOUR HISTORICAL DAGGER** Praise for the Wyndham and Banerjee series : 'A thought-provoking rollercoaster' Ian Rankin 'Does for the Raj what Philip Kerr did for the Reich' The Times/Sunday Times Crime Club 'Highly entertaining' Daily Telegraph If you enjoyed A Rising Man, further books in the Wyndham and Banerjee series are available now: A Necessary Evil Smoke and Ashes Death in the East The Shadows of Men

Path To Awakening Rosario Surace

Disrupt Yourself Katie Malachuk 2022-07-10 "Katie Malachuk writes with great style and humor. She is accessible and personal, yet she is also a scholar and practitioner with a thorough background in her subject. Quite a rarity. Disrupt Yourself displays all of these qualities in abundance. It is exactly what is needed to stand strong in the current tidal wave of misinformation about mindfulness practice based in Buddhism." —Sarah Harding, Niguma, Lady of Illusion and Machik's Complete Explanation: Clarifying the Meaning of Chöd We have had enough. We are depleted from overconsumption—technological, material, environmental, social, physical, sexual. We feel defeated by climate change, political antagonism, social injustice, the pressure to be perfect and the anxiety of being alive. We try spiritual this and that, but shopping for practices and performative spirituality drain us further. We are tired of the way we think, talk and live. We have had enough. We have had enough of ourselves. Enter Disrupt Yourself—a book that is both a salve and a dare for our time. Using Buddhist teachings and lay precepts, it cuts through our confusion via the oft-forgotten foundational practice of ethics. Disrupt Yourself presents an everyday path that puts us in right relationship with ourselves, each other and our world through relevant renunciation around intoxicants, consumption, identity, communication and intimacy. Through narrative, instruction and experiments, readers will uncover their inherent wisdom and its active expression of compassion. This transforms how we think, speak, listen, act, work, create, partner, parent, eat, shop, vote, govern, perform, protest, play, love, make love—all of it. We disrupt ourselves and this disrupts our world. And the big reveal is how joyful and freeing this feels.

Facing Our Mortality Without Fear: Advice From The Great Philosophers Robert Bonser 2011-08-01 The fear of our mortality is a common and natural fear among humans. There is a proud tradition in philosophy of being able to offer consolation and comfort for the trials and tribulations of life, including the greatest and final trial - death. Socrates said that whether death is extinction or the persistence of the soul in an afterlife, it is nothing to fear. The first half of the book 'Montaigne on the Fear of Death' shows how we can overcome our fear even if death is extinction, and the second half, 'A Philosopher's View of Heaven' presents a positive portrayal of "heaven" based on reason rather than revelation, and one which helps to make sense of our earthly life.

Record - Society of Actuaries Society of Actuaries 1991 Papers presented at regional and annual meetings of the Society of Actuaries.

Man, Science and Religion Tan Boon Tee 2004 Reflective thinking can be a very powerful tool. past, but also empowers idea to predict the future more accurately. This is a collection of short essays written in the past decade. The wide range of topics covers from such title like Why science never flourishes in China to The manifesto of world religions.

Phoenix: the Posthumous Papers of D. H. Lawrence by D. H. Lawrence - Delphi Classics (Illustrated) D. H. ArtQuake Susie Hodge 2021-10-26 Discover art that dared to be different, risked reputations and put careers in jeopardy. This is what happens when artists take tradition and rip it up. ArtQuake tells the stories of 50 pivotal works that shook the world, telling the fascinating stories behind their creation, reception and legacy. From Gustave Courbet's *The Bathers* (1853) to Marcel Duchamp's *Fountain* (1917); Yves Klein's *Untitled Anthropometry* (1960) to Judy Chicago's *The Dinner Party* (1974-79); Andres Serrano's *Piss Christ* (1987) to Banksy's *Love is in the Bin* (2018) - meet huge egos, uncompromising feminists, gifted recluses, spiritualists, anti-consumerists, activists, satirists and more. In telling the history of modern and contemporary art through the works that were truly disruptive, and explaining the context in which each was created, ArtQuake demonstrates the heart of modern art, which is to constantly question and challenge expectation. If you like this, *FilmQuake* is also available.

Oxford Textbook of Palliative Care for Children Ann Goldman 2012-05-24 The first edition of this book was the first authoritative, systematic and comprehensive text to define the increasingly important and evolving speciality of paediatric palliative care. It explores both the clinical aspects and the multidimensional and holistic nature of care for the dying child, based on the knowledge that all human experience has a physical, emotional, psychological and spiritual impact. The book covers ways of providing support in all of these areas both for the child, families, and carers, recognising the importance of teamwork and taking an evidence-based approach. The Oxford Textbook of Palliative Care for Children is about the care of children for whom cure of their underlying disease is not possible. It encompasses the physical management of symptoms such as pain and nausea, as well as social issues such as accessing appropriate education, emotional issues such as techniques for communication, and spiritual issues such as feelings of guilt and isolation. The book suggests that if we are to maintain the quality of life for a child it is essential to recognise all these dimensions and try to address them. This can only be done by recognising the skills of a wide range of professionals and working together in ways that are not always intuitive to any one discipline. It explores the multidimensional and holistic nature of care for the dying child. Those working in paediatric palliative care recognise that all human experience has emotional, psychological and spiritual impact as well as physical, and this book offers the essential information needed for those involved in paediatric care to find ways of providing support in all of these areas. Comprehensive in scope, exhaustive in detail, and definitive in authority, this second edition has been thoroughly updated to cover new practices, current epidemiological data and the evolving models that support the delivery of palliative medicine to children. Paediatric palliative care is now developing in countries with differing health care systems, and being adapted to suit individual illnesses and the varying resources and geography in different parts of the world. This book is an essential resource for anyone who works with children worldwide.

What's Behind The Moon Leighton J Reynolds 2013-07-08 The story of the quiet, suburban community of Seaville, California and the hunt for a serial arsonist continues in this the 3rd novel (Volume I) of the Seaville Wildfire Trilogy. Join all the characters from the first two novels, and new characters moving into the story, as the plot takes another huge turn in the evolution of a 21st century community, and its ties to characters in Tennessee and New York. As Dr. Roger Sterling works to find his kidnapped children, he learns that there is much more to his community than he ever imagined. Just as a wildfire can break open vegetation that has been lying dormant for years, giving it new life; so too, a wildfire can also break open the secrets of a community that are lying dormant, giving these secrets new life, for better or for worse. Exactly what's behind the Moon becomes increasingly apparent as the entire Seaville Valley becomes engulfed in a huge firestorm, and the community struggles to survive its own destructive impulses. Come and enjoy another thrilling ride into Human Nature and its increasing complexities.

Night Thoughts, on Life, Death, and Immortality ... With the life of the author. [With plates, including a portrait.] Edward Young 1806

Neil Gaiman's The Sandman and Joseph Campbell Stephen Rauch 2003 The first scholarly book-length examination of the work of comics legend Neil Gaiman includes detailed analysis of his best-selling "Sandman" and "Death" series, a look at his work's relationship to Joseph Campbell, and such topics as "Living in a Desacralized World," "The Relationship of Dreams and Myth in Campbell, Jung, and Gaiman's Sandman," "Humanization, Change, and Rebirth: The Hero's Journey," "The Role of the Artist and the Art of Storytelling," and more. A fascinating journey behind the comics work of one of the most interesting and challenging popular writers of today, Neil Gaiman's *The Sandman* and Joseph Campbell: In Search of the Modern Myth is the book which Gaiman's fans have been waiting for!

American Political Experience: A Campaign for Elective Office Lester Langertrippes 2012-05-01 This is a detailed account of a run for state legislature and encounters with voters, party officials, incumbents, and fellow candidates as well as job seekers, handout seekers, axe grinders, clergy, and the religious faithful. Are you considering a run for office? Can you answer why should they vote for you? Can you say, "No," and still get their vote? Do you know how we have gotten to this point? Why the system works the way it does? And why the various positions are held? Do you enjoy endless meetings, hand shaking, and log rolling? This account can help you answer these questions and know if politics is the game for you.

On Bohemia Cesar Grana 2017-09-29 Bohemia has been variously defined as a mythical country, a state of mind, a tavern by the wayside on the road of life. The editors of this volume prefer a leaner definition: an attitude of dissent from the prevailing values of middle-class society, one dependent on the existence of café life. But whatever definition is preferred, this rich and long overdue collective portrait of Bohemian life in a large variety of settings is certain to engage and even entrance readers of all types: from the student of culture to social researchers and literary figures in search of their ancestral roots. The work is international in scope and social scientific in conception. But because of the special nature of the Bohemian fascination, the volume is also graced by an unusually larger number of exquisite literary essays. Hence, one will find in this anthology writings by Malcolm Cowley, Norman Podhoretz, Norman Mailer, Theophile Gautier, Honore de Balzac, Mary Austin, Stefan Zweig, Nadine Gordimer, and Ernest Hemingway. Social scientists are well represented by Cesar Grana, Ephraim Mizruchi, W.I. Thomas, Florian Znaniecki, Harvey Zorbaugh, John R. Howard, and G. William Domhoff, among others. The volume is sectioned into major themes in the history of Bohemia: social and literary origins, testimony by the participants, analysis by critics of and crusaders for the bohemian life, the ideological characteristics of the bohemians, and the long term prospect as well as retrospect for bohemianism as a system, culture and ideology. The editors have provided a framework for examining some fundamental themes in social structure and social deviance: What are the levels of toleration within a society? Do artists deserve and receive special treatment by the powers that be? And what are the connections between bohemian life-styles and political protest movements? This is an anthology and not a treatise, so the reader is free to pick and choose not only what

The Original Jesus Daniel Darling 2015-08-25 From hit songs to bumper stickers to eye-black, Jesus is trending high wherever you look. But at the end of the day, many "try Jesus" and come away disappointed in the experience. That's because the Jesus of popular culture looks much more like us than the God-man who appeared in the flesh two thousand years ago. We've got Guru Jesus, Braveheart Jesus, Dr. Phil Jesus, Free-Range Jesus, and plenty more imposters that feed into our selfish desires. The problem is, they don't have the power to save us or transform us into new creations. Luckily, it doesn't have to be that way. The Original Jesus calls readers back to the Jesus who demands our worship—the potter who molds us, the clay. Seekers, skeptics, and sojourners in the way of faith will see Jesus for who he really is: God in the flesh, calling us to surrender our very lives that we may truly live. Foreword by Russell Moore.

Children's Books on the Big Screen Meghann Meeusen 2020-06-15 In Children's Books on the Big Screen, Meghann Meeusen goes beyond the traditional adaptation approach of comparing and contrasting the similarities of film and book versions of a text. By tracing a pattern across films for young viewers, Meeusen proposes that a consistent trend can be found in movies adapted from children's and young adult books: that representations of binaries such as male/female, self/other, and adult/child become more strongly contrasted and more diametrically opposed in the film versions. The book describes this as binary polarization, suggesting that starker opposition between concepts leads to shifts in the messages that texts send, particularly when it comes to representations of gender, race, and childhood. After introducing why critics need a new way of thinking about children's adapted texts,

Children's Books on the Big Screen uses middle-grade fantasy adaptations to explore the reason for binary polarization and looks at the results of polarized binaries in adolescent films and movies adapted from picture books. Meusen also digs into instances when multiple films are adapted from a single source such as The Wonderful Wizard of Oz and ends with pragmatic classroom application, suggesting teachers might utilize this theory to help students think critically about movies created by the Walt Disney corporation. Drawing from numerous popular contemporary examples, Children's Books on the Big Screen posits a theory that can begin to explain what happens—and what is at stake—when children's and young adult books are made into movies.

Allegations Concerning Dr. Kurt Waldheim United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Human Rights and International Organizations 1986
Bodies in Motion and at Rest: On Metaphor and Mortality Thomas Lynch 2001-06-17 Masterful essays that illuminate not only how we die but also how we live. Thomas Lynch, poet, funeral director, and author of the highly praised *The Undertaking*, winner of an American Book Award and finalist for the National Book Award, continues to examine the relations between the "literary and mortuary arts." "Lynch engages the reader with a mixture of poetic and funerary elements....his voice is rich and generous."—Richard Bernstein, *New York Times* "[W]hat makes him such a fine essayist is that it's just the business of everyday life and death to him."—Los Angeles Times Book Review "Few readers will walk away from this volume less than stunned and grateful."—Jay Parini, author of *Benjamin's Crossing* "A luminous work of words."—Nicholas Delbanco, author of *What Remains*

Sorin Cerin: The Philosophical Works of the Coaxialism - 2020 Reference Edition Sorin Cerin Sorin Cerin (born November 25, 1963, Baia Mare, Romania) is a Romanian philosopher, poet and essayist. If Osho is a mystic in his aphorisms, Sorin Cerin is an existentialist philosopher, author of a new philosophical system called Coaxialism, but also author of philosophical poems, being an important existentialist poet of the 21st century whose existentialist philosophical poems are quoted by critics specialized alongside other philosophers, poets and existentialist authors such as Nietzsche, Heidegger, Sartre or Kierkegaard. Sorin Cerin is especially sought after by the general public, among existentialist poets and philosophers, both for his existentialist philosophical poems that focus mainly on Love, Existence, Illusion, the Absurd or Death, and for existentialist philosophical aphorisms, structured in several volumes, and previously published in various publishing houses, to be later reunited under the aegis of a single monumental volume, entitled *Collection of Wisdom*. This title first appeared in 2009, which together with the future editions of Sorin Cerin's *Collections of Wisdom* from the following years, brought him fame and international recognition, for which, Sorin Cerin, is considered to be one of the most representative existentialist philosophers, existentialist poets, but, also authors of wisdom, authors of philosophical aphorisms or thinkers of the sapiential genre, worldwide, and the philosophical aphorisms from this work, are selected in various publications or prestigious anthologies of the world. This book, entitled, Sorin Cerin: The Philosophical Works of the Coaxialism - Reference Edition 2020, includes all new books, respectively 6 books, published separately by different publishers, books whose titles are in the current book, are: Coaxialismul - Complete reference edition, the first edition in Romanian at Paco Publishing House in Bucharest, Romania 2007, ISBN 978-973-8314-66-5.2, the second edition in the United States of America 2010, ISBN 978-1456346362, and in English language entitled *The Coaxialism - Complete reference edition*, the United States of America 2011, ISBN 978-1461000082 *Logica coaxiologică*, first edition in Romanian at Paco Publishing House in Bucharest, Romania 2007, ISBN 978-973-8314-79-5, second edition in the United States of America 2014, ISBN 978-1497436121, and in English with the title *The Coaxiological Logic*, the United States of America 2020, ISBN 979-8630561305 *Starea de concepție în fenomenologia coaxiologică* (*The state of conception in coaxiological phenomenology*), first edition in Romanian at Paco publishing house in Bucharest, Romania 2007, ISBN 978-973-8314-764, second edition in the United States of America 2014, ISBN 978-149-7484-887, and in English with the title *The Creation*, the United States of America 2020, ISBN 979-8640137347 *Antichrist, ființă și iubire* (*Antichrist, being and love*), the first edition in Romanian at Paco Publishing House in Bucharest, Romania 2007, ISBN 979-973-8314-771, the second edition in the United States of America 2012, ISBN 978-147-8265-399, and in English with the title *The Evil*, the United States of America 2014, ISBN 978-1500329518 *Moarte, neant, aneant, viață și Bilderberg Group* (*Death, nothingness, neo-nothingness, life and Bilderberg Group*) the first edition in Romanian at Paco Publishing House in Bucharest, Romania 2007, ISBN 978-973-8314-740, the second edition in the United States of America 2010, ISBN 978-1456391423, and in English with the title *Value and Hierarchy of the Human Being*, the United States of America 2020, ISBN 9798654383327 *Iubire*, United States of America 2012, ISBN 978-1479107827, *Amour*, the United States of America 2010, ISBN 978-1456330866, *Love*, the United States of America 2012, ISBN 978-1479108015 *Reference by M. Pop*

The Dharma of Dragons and Daemons David R. Loy 2016-05-03 In order to live, we need air, water, food, shelter...and stories. This book is about Buddhist stories: not about stories to be found in Buddhism, but about the "Buddhism" to be found in some of the classics of contemporary fantasy including the works of J. R. R. Tolkien, Hayao Miyazaki, Michael Ende, Philip Pullman, and Ursula K. LeGuin. Many books are called groundbreaking, but this one is truly unique and sure to appeal to anyone with an interest in fantasy literature. It employs a Buddhist perspective to appreciate some of the major works of modern fantasy—and uses modern fantasy fiction to elucidate Buddhist teachings. In the tradition of David Loy's cutting-edge presentation of a Buddhist social theory in *The Great Awakening*, this pioneering work of Buddhist literary analysis, renown scholar David Loy and Linda Goodhew offer ways of reading modern fantasy-genre fiction that illuminate both the stories themselves, and the universal qualities of Buddhist teachings. Authors examined include J.R.R. Tolkien, Philip Pullman (of *The Amber Spyglass* trilogy, from whose works the word "daemon" is borrowed in the title), Ursula K. LeGuin, and the anime movie *Princess Mononoke*.

The Math of Life and Death Kit Yates 2020-01-07 A brilliant and entertaining mathematician illuminates seven mathematical principles that shape our lives. "Kit Yates shows how our private and social lives are suffused by mathematics. Ignorance may bring tragedy or farce. This is an exquisitely interesting book. It's a deeply serious one too and, for those like me who have little math, it's delightfully readable." —Ian McEwan, author of *Atonement* "Kit Yates is a natural storyteller. Through fascinating stories and examples, he shows how maths is the beating heart of so much of modern life. An exciting new voice in the world of science communication." —Marcus du Sautoy, author of *The Music of the Primes* From birthdays to birth rates to how we perceive the passing of time, mathematical patterns shape our lives. But for those of us who left math behind in high school, the numbers and figures hurled at us as we go about our days can sometimes leave us scratching our heads and feeling as if we're fumbling through a mathematical minefield. In this eye-opening and extraordinarily accessible book, mathematician Kit Yates illuminates hidden principles that can help us understand and navigate the chaotic and often opaque surfaces of our world. In *The Math of Life and Death*, Yates takes us on a fascinating tour of everyday situations and grand-scale applications of mathematical concepts, including exponential growth and decay, optimization, statistics and probability, and number systems. Along the way he reveals the mathematical undersides of controversies over DNA testing, medical screening results, and historical events such as the Chernobyl disaster and the Amanda Knox trial. Readers will finish this book with an enlightened perspective on the news, the law, medicine, and history, and will be better equipped to make personal decisions and solve problems with math in mind, whether it's choosing the shortest checkout line at the grocery store or halting the spread of a deadly disease.

Historical Dictionary of Boxing John Grasso 2013-11-14 The *Historical Dictionary of Boxing* focuses on the as champions of boxing along with the lesser-known boxers who helped shape this sport. More of these boxers come from the United States but there are others from Europe, Asia and Latin America, and there are also entries on the major boxing countries as well. Plus entries on the rules, on the organizations, and on the technical terminology and jargon you have to know just to follow the bouts. The introduction provides a broad view of boxing's history while the chronology traces events from 688 B.C. to 2012 A.D. Not all that much has been written on boxing that is not ephemeral, but much of that literature can be found in the bibliography. This book is an excellent access point for students, researchers, and anyone wanting to know more about the sport of boxing.

Narrative of Chinese and Western Popular Fiction Yonglin Huang 2018-09-26 This book presents a comprehensive and systematic study of the narrative history and narrative methods of Chinese and Western popular fiction from the perspectives of narratology, comparative literature, and art and literature studies by adopting the methodology of parallel comparison. The book is a pioneering work that systematically investigates the similarities and differences between Chinese and Western popular fiction, and traces the root causes leading to the differences. By means of narrative comparison, it explores the conceptual and spiritual correlations and differences between Chinese and Western popular fiction and, by relating them to the root causes of cultural spirit, allows us to gain an insight into the cultural heritage of different nations. The book is structured in line with a cause-and-effect logical sequence and moves from the macroscopic to the microscopic, from history to reality, and from theory to practice. The integration of macro-level theoretical studies and micro-level case studies is both novel and effective. This book was awarded Second Prize at the Sixth Outstanding Achievement Awards in Scientific Research for Chinese Institutions of Higher Learning (*Humanities & Social Sciences*, 2013).
